Learning & Development team bring you...

# INTRODUCTION TO SYMPTOM MANAGEMENT

As members of the Black Country Palliative and End of Life Care Group, we are delighted to be providing this free End of Life and Palliative Care education program.

This free 1.5 hour online session will give delegates an overview of symptom management including pain, nausea, and breathlessness, as well as common pitfalls and understanding when to refer for specialist advice.

## Who should attend?

This training is commissioned by the Black Country Integrated Care System and is designed for all primary care staff in the Black Country (Dudley, Sandwell, Walsall and Wolverhampton).

## Available Dates 2022

**FREE**  
to attend

6 September	5pm - 6.30pm
30 September	12pm - 1.30pm
19 October	12pm - 1.30pm
8 November	12pm - 1.30pm

1.5 hour  
session
