Fundraising FAQs

We know that you'll probably have lots of questions when it comes to putting on or taking part in a fundraising activity, so we've tried to answer some of the most common ones here for you.

If you can't find the answer you are looking for or feel that you need further information one of the team will be more than happy to help! You can contact them by calling **0300 323 0250** or emailing fundraising@comptoncare.org.uk

How can I cover the cost of my event?

We don't expect you to be out of pocket by raising funds for us. Compton Care are unable to cover the costs of your event. We recommend speaking to local businesses to enquire about sponsorship possibilities or the donation of goods and gifts for raffle prizes. You might be able to cover some of the costs from the money that you raise, however you **must** tell your supporters this before they donate to your cause. (e.g. 'please note that £5 from the cost of all ticket prices goes to Compton Care')

Can I advertise my event on the Compton Care website?

Due to the number of incredible supporters holding events in our aid, we're unable to advertise each one on our website, however, we will commit to adding your event to our Facebook page where it can be viewed by all of our followers.

We always love to share our supporter stories on our social media channels and so after your event, we'd love to see photos and hear all about how it went.

Can someone from Compton Care come and speak at my event?

We love to attend your events when we can, however we are only a small team and it is not always possible. Talk to your dedicated fundraising representative if you think you might like one of us to attend and we will do our best to be there.

Can I have a letter of authorisation to collect money?

Yes, we can provide you with a letter of authorisation for your fundraiser. Please ask your dedicated fundraising representative, who will be happy to assist you. You can show this to companies and organisations when collecting for raffle prizes etc.

Unfortunately, an authorisation letter does not give you permission to collect in public places, and you'll need to obtain a licence to do this. For more information, visit our 'keep it legal' section in the Help and Advice section of our [website](#).

How can I make sure my event is safe and legal?

You may need a licence from your local council if you are collecting in a public place, selling alcohol or holding a raffle. We can guide you through the simple steps of keeping

Registered Charity Number: 512387

it legal, you can also find out more information in our 'keep it legal' section in the Help and Advice section of our [website](#).

Your event must also be safe for everyone attending. We have template risk assessment forms which you can access to ensure your fundraiser is fun and safe, this can be found in our [Downloads section](#).

Can I use the Compton Care Logo on my marketing materials?

The Compton Care logo is our badge of pride and the visual stamp that we use to represent our brand. We hope that you will display this on all of your marketing materials. We are able to send you our correct logo in a high-quality format, as well as guidelines on how it must be used upon request. If you are looking for a **poster template** to use to advertise your event then you can find it in our [Downloads section](#).

Remember...our team are here to support you every step of the way!
