## CARE is in the air

At Compton Care, we believe that wellbeing and mental health is the basis for a happy and successful life at school and beyond.

### How does 'CARE is in the air' work?

This is a mindful challenge that every pupil can be a part of!

At Compton, we believe our **CARE** values could be instilled from a young age both inside and outside the classroom, and can be used by everyone whatever their age

Our CARE values are:

**C**ollaboration **A**ccountability **R**espect **E**mpathy

As a teacher you will focus on a different element of CARE and its importance each day!

Each child will be given a worksheet to explain how they have demonstrated each of these values among their peer group throughout the week.

At the end of the week, to celebrate their success in demonstrating the CARE values, you could hold an optional 'yellow day' where staff and children pay a £1 to wear something yellow, raising awareness and funds for Compton Care!

Each child that takes part will be provided with an extra special Compton Care thank you which they will have to continue to care for!

Once you have received the funds from your pupils, please just let one of our team know using the email address below, and we will arrange to come out and pick up your fundraising and give pupils our special thank you!

If you would like to take part in "CARE is in the air" please email us on [fundraising@comptoncare.org.uk](mailto:fundraising@comptoncare.org.uk).
